Al Dhafra Fire Equipment and Contracting L.L.C

HOW WE FIT?

Since its inception in 2004, Al Dhafra Fire Equipment and Contracting LLC (ADFEC) has been consistently reaching the core of the fire and safety industry and building up its own reputation all over in Abu Dhabi, Al Ain and the Western Region by participating in various private and government projects. Now, the company is branching out to the MEP sectors to widely distribute our services to the commercial market and reach new audiences.

Al Dhafra Fire Equipment and Contracting LLC (ADFEC) a company specialized in installation, maintenance and sales of fire alarms and firefighting systems, HVAC, Electrical & Mechanical contracting, piping and plumbing. ADFEC LLC is a Grade A Contractor approved by the Abu Dhabi Civil Defense.

We believe in effective and timely delivery, high-quality service at competitive prices. We are confident in achieving and finalizing projects design, supply, and installation, testing, commissioning and executing maintenance jobs for every client.

Well experienced & highly motivated technical team are specialized in adequately and methodically installing and maintaining Fire Fighting and Fire Alarm Systems to create safe and positive working environments.

Complying with all relevant international standards and meeting Abu Dhabi Civil Defense regulations and maintaining excellence in fire and life safety requirements to protect life and properties at all costs.

The well-being and protection of all is of utmost importance to us, as well as surpassing our clients' expectations. We guarantee this through our highly qualified and experienced, yet dedicated management and technical team deliver competitive performance across all our services, always considering our clients' needs first.
